Summer Energy Named One of Houston's 2017 Best and Brightest Companies to Work For®

For Immediate Release:

Houston, Texas – March 6, 2017

Summer Energy, LLC, a fast-growing retail electric provider in Houston, Texas, announced today that it has been selected as one of Houston's 2017 Best and Brightest Companies to Work For®.

"The Best and Brightest Companies to Work For® competition identifies and honors companies that deliver exceptional human resource practices and an impressive commitment to their employees. Organizations are assessed based on categories such as communication, work-life balance, employee education, diversity, recognition, retention and more," according to their website. Once nominated, companies are evaluated by an independent research firm. Winners will participate in an awards gala on April 10, 2017.

"Summer Energy is honored to be selected as one of the best and brightest organizations in Houston for the second consecutive year," said Neil Leibman, CEO of Summer Energy. "We are especially proud to be the only retail electric provider to make the list. Our business is built around Customer Service and it is our goal first and foremost to deliver the best level of service to our customers and third parties. We believe a positive work environment and engaged employees result in satisfied customers and winning this award reaffirms our mission" continued Mr. Leibman.

About Best and Brightest Companies to Work For®: The "Best and Brightest Companies to Work For®", a program of the National Association for Business Resources is presented annually in several markets: Atlanta, Boston, Chicago, Dallas, Detroit, Grand Rapids, Houston, Milwaukee, San Diego, San Francisco and Nationally. Nominations are now being accepted. Visit www.101bestandbrightest.com to obtain an application.

About Summer Energy Holdings, Inc.: Summer Energy Holdings, Inc. is the parent company of Summer Energy, LLC, a Texas-based retail electric provider which entered the market in February 2012. Summer Energy offers residential and all size commercial customers in the Texas restructured retail energy market competitive prices, pricing choices, and improved customer friendly service.
